Welcome to Jain College - Hubli

Jain College, Hubli is an institute of the prestigious JAIN Group, headquartered at Bengaluru. The group represents a cluster of 77 educational establishments that are home to over 72,000 students from across the world and 6450 staff members engaged at the P-12, undergraduate and postgraduate levels across 64 campuses and centres of excellence.

The institutions started by JGI Group have a strong foundation for hundreds of rewarding careers in academics, research, business and the service sectors. Jain College intends to provide job-oriented education that extends beyond theories and conceptual understanding to practical applications. At Jain College, we understand the pace of challenges to be faced and hence develop attitudes and personalities. Jain College has been instrumental in creating a paradigm shift in the educational scenario in the region of North Karnataka.

We welcome you for an exciting journey of learning, where excellence is a way of life, creativity is a habit and students are prepared for challenges of change.

Setting Benchmarks

Academic excellence and personality development are ensured at Jain College by giving equal importance to academics and extracurricular activities. In the first year of its inception Jain College has set an excellent track record in academics. It has also won general championships at various national level management fests. Innovative Prospects High standards and innovative methodologies in teaching techniques stimulate curiosities in the minds of students and help them explore the varied dimensions of thinking. Practical approach to problem solving gives the students hands-on experience

- Well-stocked library
- Spacious classrooms
- Well-equipped computer labs with internet facility

Intellectual Invigoration

Our highly qualified faculty adds to the success of the students by dipping into wells of knowledge acquired from their experience at various leading educational institutions. Their applied competencies help in the development of the minds of students and encourage them to excel.

Pedagogy

A wide variety of teaching methods are employed by the staff to provide a broad and exciting educational experience. These include experiential learning, computer simulations, syndicate and individual projects, case study, presentations and applied corporate projects. Business English Course with Soft Skill Training This course will help students in effective communication and leadership skills. Students gain proficiency in public speaking, communication, group discussion and oratory skills. State-of-the-art Infrastructure The college believes in optimising the opportunities for students by providing world-class infrastructure designed to complement the educational progress of the students.

Placement Cell

Impervious to the business cycles of boom and bust, organisations are always on the lookout for candidates with good business sense, analytical skills and leadership potential. The Jain College placement cell facilitates contact between the leading business houses and graduates. It provides career guidance, opportunities to the graduates and also helps them establish their future objectives. This process helps students to take decisions aligned to their goals. Recruiters who have visited Jain College last year include reputed companies like Wipro Academy of Software Excellence (WASE), IBM Global Process Services and Federal bank.

Program Highlights

- Professional coaching
- Internship & 100% placement support
- National level management fest
- Industrial visits & outbound Programmes
- Business English Certification Programme
- Workshops and seminars
- Scholarships
- State-of-the-art infrastructure facilities

LIFE @ COLLEGE

Orientation

Academics at our centre is monitored and guided by Jain College authorities. The academic year at Jain College starts with a one-week orientation which ends with an outbound activity. Students learn about JGI Group philosophy of constant efforts and evolution and also get to know their respective teachers. Experts from various cities across the country come and enlighten the students on a vast gamut of topics like team building, goal setting, stress management, meditation and yoga, etc.

Workshops and Seminars

Jain College, Hubli arranges for workshops and seminars throughout the year to enable students to locate disciplines within their broader business, economic, political and social contexts.

Cavalcade - Management and Commerce Fest

'Cavalcade' an intercollegiate national level fest is designed and conducted exclusively for the management and commerce students, taking into consideration their level of experience and competence. It is envisioned as a platform to transform novices into mature professionals. The events are designed to evaluate the creativity, skill set, decision-making abilities, analytical skills, knowledge, personality and attitude of aspiring graduates in the following fests.

Illuminati (PU Fest)

It is a fun filled fest with the vision of exposing PU students to the world of creativity and showcase their talents on par with educational achievements. It also includes practical knowledge about various events and develops the communication skills which help to present their attitude to be the best from the rest.

Archivio (B.Com Fest)

This event is the crystallisation of the energy of the youth and clarity of the mind of the modern era. It tests the mental ability, logical thinking spontaneity and knowledge about commerce and accounting fields. The cultural Programme provides them an opportunity to express themselves in diverse ways.

Prudence (BBA Fest)

It is a National Level Management Fest organised to sharpen the management and marketing skills of students every year. It allows the students to demonstrate their creativity and innovative skills. It includes many interesting management tasks which ensure academic excellence by way of practical learning and also personality development.

Clubs & JCH

Students can lead or be a member of the following clubs to showcase the skills:

- Fest club
- Cultural club
- Soft skills club
- CNA (Current News Awareness) club
- Social activity cell

Industrial Visits

Learning at Jain College extends beyond the four walls of the classroom. Students visit various industries local as well as national and gain perspective on how things work in real world. They are required to submit reports on their learning to the respective class teachers. Industrial visits are conducted every year as part of the curriculum.

Sports

Sports activities form an integral part of the curriculum at JCH. Within a very short span of its establishment, the institution has already started creating waves in sports at various levels from inter college to national. With quality infrastructure and dedicated trainers, sports aspirants here are developed into admirable players.

Parent Teacher Meet (PTM)

PT meets are conducted on a regular basis to update parents on the progress of their children. The agenda for PT meets is mailed to parents along with personalised invitations. Suggestions given by parents are given utmost importance and worked upon sincerely. Separate PT meets are conducted for PU and degree Programmes. A dedicated PT committee is appointed to accomplish this task.
