Career Summary

According to our scriptures, “Education is something which makes a man free from fear, poverty, and conflict and gives birth to a new human being”. There is no end in education, any person can start taking education at any age, as knowledge transfer is the essential requirement at the present scenario and, is established in the memory of Great Leader of the Nation to impart education to all learners.

She is passionate towards teaching Economics, willing to impart quality teaching forth coming aspirants and to enable them as socially responsible citizens. She is much interested in research activities and is having the ability to work in a team and believes that she has a lot to contribute to a team environment; she loves to help, resolve group issues through research and communication
