Career Summary

“While educating the minds of our youth, we, must not forget to educate their heart”- Dalai Lama.

Our life is a journey we learn and experience something new every day. We not only impart in-depth knowledge of a particular subject but at the same time also ensure competent and constant growth of the students. As, every child who has entered this temple of learning, will certainly go out as responsible citizens with human values.

She motivates each Student to explore his or her own capabilities and their area of interests- curricular, co-curricular or extra-curricular activities. As well as, builds the focus of the Teachers to grow Personally and Professionally with good attitude and conduct. She is an expert in the field of Management, Accounting and Finance and is determined in raising an Institute for the benefit of the student fraternity.

Research Interest
